

Introduction to Behavioural Euthanasia

Monday October 23rd, at 7:30 pm with
Guest Speaker – **Sue Alexander** CPDT-KSA, CBCC-KA, CDBC

Almost everyone in the dog industry has been touched by behavioural euthanasia (BE) at some point or another.

In this one-hour webinar, Sue Alexander, founder of Losing Lulu will discuss what BE is, what factors go into the decision to make a BE, and what the impact is on families, trainers, behaviour consultants and the veterinary community.
